The impetus for this conference comes from the pending passage of the so-called Agents' Identities' Protection Act, widely viewed as an undermining of the First Amendment as well as the recently-issued Executive Order on intelligence which, among other things, illegally allows the CIA to conduct covert operations in the United States. The entire conference will be taped and made available to the public. Full media facilities will be available at the conference.

Donations are urgently needed to pay for expenses. Checks should be sent to: Jeff McConnell [REDACTED] Cambridge, Mass. 02138
